Brooklyn, NY 11201

Re: *United States v. Ying Lin*, 15 CR 601 (DLI)

Dear Judge Irizarry:

I write to request permission to file a response to the government's supplemental memorandum of law in support of its motion for a pretrial conference pursuant to Section 2 of the Classified Information Procedures Act ("CIPA"). I do not oppose a conference under Section 2 of CIPA. However, I do object to the government's request, pursuant to Section 4 of CIPA, to file an *in camera*, *ex parte* application regarding classified materials it seeks to delete, substitute, or disclose pursuant to a protective order.

Should the Court permit me to file a response, I will do so by September 21, 2016, to allow time for the Court to review both memos before the next conference on September 27, 2016. In the alternative, I have no objection to an adjournment of the conference.

Thank you for your consideration.

Respectfully submitted,

/s/
